## **MAJOR MUSIC SUPPLY ADDS-NEW REVIVAL "BLUEGRASS SERIES"**

SAN FRANCISCO, CA, JUNE 20, 2008: Major Music Supply a Wholesale Musical Instrument Distributor/Manufacturer will be debuting the new Revival "Bluegrass Series" of instruments at the Summer NAMM Show June 20-22 in Nashville. The New Revival Mandolins & Resonator Guitars are sure to be a big hit in any Bluegrass Jam/Session and are geared towards the working Musician.

The Revival Mandolin line consists of 3 models: The MA-10, MF-10 and MF-20. The MA-10(A-Style) & MF-10(F-Style) are both all Solid Mahogany and have a matte finish with Gold Plated Hardware. The MF-20(F-Style) has a traditional Sunburst finish Solid Spruce Top and Solid Maple Back & Sides. The Fern inlay on the F-Style Revival Mandolins are a nice touch and all the Mandolins are set up by our Luthier.

The Revival Resonator line has 2 New Models, both available as Roundneck & Squareneck. The RR-18 has Beautiful Sunburst Flamed Maple Top and Flamed Maple Back and Sides. This fine resonator has that "Old Time Bluegrass tone" and is a dream to play. The RR-20 boasts a Spalted Maple Top Back & Sides with a Traditional Slotted Peghead. The Bronze Plated Aged Hardware makes this a visually stunning Resonator & the tone that comes from these hand spun cones will match up to any high end Resonator.
